Circular

“This is being advised to adopt and practise a mixed medium of instruction i.e. Hindi and English both as the medium of instruction in teaching-learning. Furthermore, there is a widespread need of enhancing the linguistic competency of students in general. Therefore, all the Departments are advised to organize speech and essay competitions and also student presentation based seminars through their Departmental Councils and other platforms in order to address the Language & Expression hindrances in students' learning process. Teachers are also advised to make available their lectures on online platforms, as much as possible.”
